About us.

ROBA Music Publishing is a leading music publisher. We offer worldwide high-end music publishing services with a client centric approach for the digital age. We have a clear focus on electronic dance music.

*With passion
for dance music
we develop,
exploit, collect
and inform.*

We are passionate about dance music. We seek out great songs and support our authors and partners constantly in the creative process. We promote their songs across a variety of platforms and manage the exploitation, licensing and collection. We aim to protect and enhance the value of our authors' and partners' songs with the utmost commitment. Put simply ROBA and its music publishing experts are your best choice.

Develop

- Co-Writings
- Writer-Camps
- Promotion
- Top Lines & Vocalists

We work with great passion to find and build long term relationships with the best songwriting talent and label partners to shape the world of dance music.

Exploit

- Artists & Labels
- TV & Film Music Supervisors
- Advertising Agencies
- Digital Services

We highlight your edm songs and foster their exploitation. Our creative team proactively pitches and licenses dance music to leading content creators to increase your income.

Collect

- CWR Registration
- Direct collections (Users, Sub-Publishers & Societies)
- Income Tracking & Music Monitoring

We deliver an effective registration and income retrieval process that is important to guarantee the flow of royalties directed to you.

Inform

- Synch & Song Briefings
- My.robacom Royalty Portal
- Synch.robacom Music Database
- ROBA App & ESign Solution

We give transparent and comprehensive web accessed information to our edm clients enabling them to have a better understanding of their income and song catalogue.

Become a ROBA edm author or let us help you in establishing your labels publishing interest.
